**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition AND the better service that the smaller providers offer! There should be NO price hikes -- internet and phone service is already too high. Fiber is far superior to DSL. I want to keep it and broadband. I had AT&T previously -- service was bad and prices sky-high.
